Profile

Motivated and passionate Information Science student with a strong foundation in front-end technologies, including HTML, CSS, and JavaScript. Committed to creating visually appealing and user-friendly websites, with a focus on enhancing user experience. Fluent in Amharic, Oromo, and English, with strong collaboration skills and the ability to connect quickly with others.

Summary

Currently a third-year student at Jimma University, expected to graduate in 2025/26. Eager to leverage my skills in a flexible job that allows for innovation and creativity. I have actively engaged in collaborative projects with fellow programmers from online platforms and have developed my own portfolio website showcasing my dedication to the field.

Education

Jimma University

Bachelor of Information Science (Expected Graduation: 2025/26)

Skills

- Front-End Technologies: HTML, CSS, JavaScript
- Software Proficiency: Microsoft Office, Adobe Suite (Intermediate Skills)
- Languages: Fluent in Amharic, Oromo, and English
- Collaborative Team Player

Hobbies

```

I'm a third-year Information Science student at Jimma University.

I have a solid understanding of HTML, CSS, and JavaScript and love creating visually appealing websites that offer excellent user experience.

My goal is to secure a flexible job and create widely-used products.
